What is Brick Breaker?

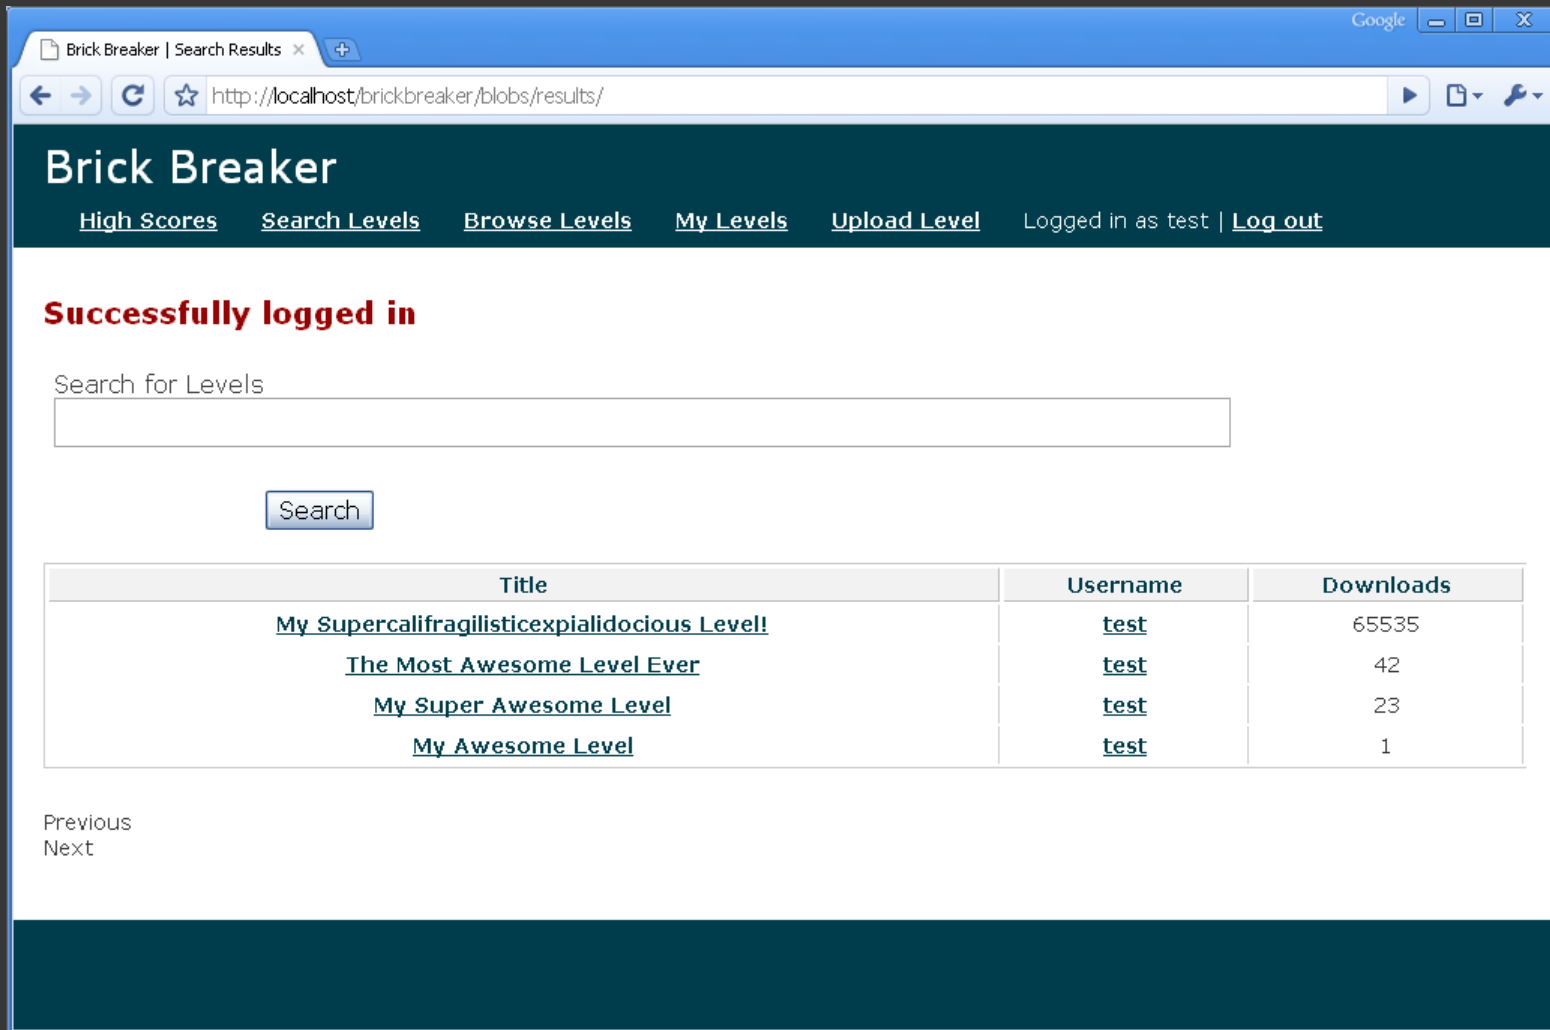

The classic game “Breakout”...

...with level editing...

...and an online community!

The screenshot shows a web browser window with the title 'Brick Breaker | Search Results'. The address bar shows 'http://localhost/brickbreaker/blobs/results/'. The page has a dark teal header with the title 'Brick Breaker' and navigation links: 'High Scores', 'Search Levels', 'Browse Levels', 'My Levels', 'Upload Level', and 'Logged in as test | Log out'. Below the header, a red message says 'Successfully logged in'. There is a search bar with the placeholder text 'Search for Levels' and a 'Search' button. Below the search bar is a table with three columns: 'Title', 'Username', and 'Downloads'. The table contains four rows of search results. At the bottom left, there are links for 'Previous' and 'Next'.
